this heinous federal united states government

 for this federal united states government corporation  
 of an illumianati court to force its will and so  
 called statutes, codes, laws, rules, regulations and  
 government corporational policies upon a living  
 man of the flesh and blood, is a savagely grotesque  
 spiritual violation of the Most Highs Will (omnipotent)  
 all powerful, that each and everyone of you will  
 face upon judgement day before the Most High and  
 his court that overrides even your so called  
 sovereignty J-B, the federal united states has no  
 right to stamp over the living mans Free Will  
 who governs himself by natural law of the  
 Most High, for you James O' Browning to break  
 the sacred jesuit world order oath does not put  
 you in a favorable good light with the Most  
 High as even you cant escape the grip of the  
 Most High for your actions as you have swore  
 an oath to uphold and protect all your federal  
 united states statutes, codes, laws, rules, regulations,  
 and man made government corporational policies  
 that are in conflict with this so called compact  
 of contract trust law of constitutional doctrine

declaration from the occupant in the office of the  
cestui que trust estate of MICHAEL JAMES NISSEN,

supercedes all of the federal united states  
government corporational man made statutes, codes,  
laws, rules, regulations and government corporational  
policies in favor of section one, fourteenth  
constitutional private civilian non citizen nationals  
which are exempt by your federal united states  
government corporational statutes, codes, laws, rules,  
regulations and government corporational policies  
before the Most High (omnipotent) all powerful  
only in vain which to date has been clearly  
and decisively evidenced by this federal united  
states district courts actions on record and
